

Open Letter to Board of Directors of the American College of Radiation Oncology (ACRO) from Dr. Krishnan Suthanthiran

Dr. Krishnan Suthanthiran, President/Founder of TeamBest Global Companies, offers to promote attendance of Multi-Specialty Residents at ACRO Annual Meetings

WASHINGTON, DC, USA, October 11, 2022 /EINPresswire.com/ -- [TeamBest Global Companies](https://www.teambest.com/) (TBG) currently sponsor 10 ACRO BEST Awards to 10 Residents in Radiation Oncology annually. ACRO provides these Residents—recipients of ACRO BEST Awards—free conference registration for their annual meetings.

Nearly 20 years ago, Dr. Suthanthiran approached ASTRO to sponsor 50 such awards to Radiation Oncology Residents and 25 each to Medical and Surgical Oncology Residents to be selected by ASTRO annually. However, ASTRO did not agree to provide the Residents of the ASTRO BEST Awards free registration to attend the ASTRO annual meetings.

Therefore, BMI decided to offer such BEST Awards in collaboration with other associations and independently.

Since TBG already offers 10 such ACRO BEST Awards annually to Residents in Radiation Oncology, this is to request that the ACRO Board of Directors consider inviting and selecting 5 Residents each from Medical and Surgical Oncology and offer them, along with 10 Residents from Radiation Oncology, free registrations to the selected recipients of the ACRO BEST Awards—again, annually.

These awards carry 500 USD plus a beautiful plaque to be distributed during the ACRO Conference Annual Meetings to the ACRO BEST award recipients selected by ACRO.

Dr. Suthanthiran and TBG Companies look forward to hearing from the ACRO Board of Directors so as to be able to implement this expanded program of inviting and recognizing the Residents in Multiple Specialties in Cancer Care soon.

"A healthy person has many wishes but the sick person has only one. Health is wealth," says Dr. Suthanthiran.
